

# Certified Alarm Technician Level I (New-Revised) ASLB-01-061

## REGISTRATION FORM

Sept. 18-20, 2017, 8 a.m. – 5 p.m.

ADI, 800 Clanton Road, Suite F, Charlotte, NC 28217, 704.525.8899

Benefits of attending this seminar:

- 24 hours over three days of alarm principles, theory and much more which includes a 2 hour ONLINE exam. **Students must provide a personal laptop computer to access the online examination. Special arrangements can be made for students to take a hardcopy exam for an optional additional \$30 fee.**
- Graduates are more confident in their abilities; they perform better installations and are more professional in dealing with customers.
- Companies with certified employees gain a distinct marketing edge over the competitors. They tell prospects, "Our installers are experts. They are certified by the National Training School." It helps raise the image and professionalism of the entire industry. Companies that send their employees to the NTS attract the best workers – those interested in being top-notch security professionals.
